CA Jayson Jacob Mathew

Chartered Accountant, Director International Business Advisor @ Indian Economic Trade Organization(IETO) • Independent Director • Succession & Legacy Strategist Mentor • Visionary • Change Player • Mediator

Kanayannur, Kerala, India

Summary

I help founders, leaders, and family businesses create, preserve, and seamlessly transfer their legacy.
As a Chartered Accountant with deep expertise in succession consultancy, corporate structuring, tax strategy, management consulting, and risk analysis, I specialise in navigating complex financial landscapes; particularly with LLPs, to optimise business outcomes and leadership continuity.

Holding certifications in Arbitration, FEMA, AI & ML, FAFD, BRSR, GST, Public Finance & Government Accounting, and Concurrent Audits from ICAI, I bring a 360° governance and strategy lens to every engagement. My approach blends tax planning, governance, change management, and corporate structuring into a single roadmap that inspires investor confidence and intergenerational success.

Beyond technical expertise, I am passionate about mentoring and coaching, guiding organisations through leadership transitions while preserving culture and vision. As an Independent Director at Danube Industries Limited, I oversee governance and strategic financial planning, and as an ICAI Peer Reviewer, I help uphold the profession’s highest standards.
